## **Section 3.2**

### **Commercial Use of Tennis and Pickleball Courts**

In addition to the rules and regulations in Section 2 and 3.1, the following rules apply to all commercial users of the tennis/pickleball courts. Use of the courts is considered “commercial” when an instructor is present and giving paid lessons to students.

1. Registered Instructor: Any person offering paid lessons on District courts must first apply for “Registered Instructor” status with the District by filling out the application on the District’s website or by contacting the District. No commercial use of the courts may begin until this status is granted, and appropriate court reservations have been made. Any person attempting to conduct lessons without first obtaining Registered Instructor status will be considered trespassing on District property and may be subject to expulsion.

2. To become a Registered Instructor, the person must submit full contact information, proof of qualifications, proof of liability insurance, and basic information regarding their classes and client base, specifically the number of expected students and expected days, times, and duration of classes. Requested days and times cannot be guaranteed and are subject to existing reservations.
3. For fee collection purposes, the year runs from January 1<sup>st</sup> through December 31<sup>st</sup>, and annual fees will be prorated for any instructors registering after January 1<sup>st</sup>. No instruction may be given unless and until this fee has been paid in full.
4. Registered Instructors will be issued a security key card, which must be used to enter the courts.
5. Registered Instructors are allowed usage of the courts for instruction only. Personal use of the courts will not be allowed unless the instructor is also registered as a non-commercial user and has paid all fees applicable to such users under Section 3.
6. Commercial use of the courts is restricted to reserved times. No walk-on commercial usage is allowed. Reservations must be made through the District's online reservation system, which is available on the District's website.
7. Registered Instructors will be limited to three hours per reservation Monday through Friday. No commercial use of the courts will be allowed on the weekend. Registered Instructors may not reserve the courts on the following holidays, except by special request and subject to approval: New Year's Eve, New Year's Day, Memorial Day, 4<sup>th</sup> of July, Labor Day, Thanksgiving, the day after Thanksgiving, Christmas Eve, and Christmas Day.
8. Students are not allowed on the courts without their Registered Instructor, unless they are using their own key card issued for non-commercial use under Section 3.
9. A maximum of eight students are allowed per tennis court area (for pickleball instructors, one tennis court area equals two pickleball courts)
10. In the event that a commercial use of the courts creates conflicts with other court users, the District may, at any time, resolve the conflict by any of the following means: A) The District may require the registered instructor to make changes to their commercial use, including location, time, days, number of persons, duration, or other aspects of the use that may be causing conflict. B) The District may deny the registered instructor continued commercial use of District property.
11. Any special tennis and/or pickleball events or tournaments must be scheduled through the District at least two weeks in advance of the proposed event. Only individuals holding active memberships may schedule tournaments. Tournament scheduling is subject to existing reservations and the reasonable judgment of District personnel.

## **Section 3.3 Non-Commercial Reservation of Tennis/Pickleball Courts (Anderson Mill West and Lakeline Oaks)**

For commercial use of the tennis/pickleball courts, reservations must be made in accordance with the provisions of Section 3.2.

1. Court reservations may only be made by persons holding active court memberships, per Section 3. No other reservation fees apply. All court reservations must be made through the online reservation system, which is available on the District's website. The e-mailed confirmation from the online reservation system will be proof of a court reservation.
2. Reservations can be made no earlier than 30 days prior to the reservation time and up to four hours prior to the reservation start time.
3. A maximum of two hours per reservation and one reservation per member, per day is allowed.
4. Non-commercial walk-on use of the courts is permitted. However, persons with reservations will have priority over walk on users. If a person shows up with proof of their reserved time (the e-mailed confirmation), but not 15 minutes late, the walk-on players must give up the court immediately to the reserved party. Failure to do so can result in loss of court reservation privileges and continued non-compliance could result in expulsion and trespassing charges. If the person without a reservation refuses to yield, please do not breach the peace. Communicate with Inframark personnel at 512-246-0498 and e-mail the Parks Committee with pertinent details at parks@inframark.com. Anonymous complaints will not be considered. Please include dates, names and license plate information if this information can be peacefully collected.
5. Please cancel any unused reservations in a timely fashion to allow others to use the courts.

## **Section 3.4**

### **Rules Violations on Tennis & Pickleball Courts**

1. Individuals without active memberships found to be violating the rules in this section will be considered trespassing on District property and may be subject to expulsion.
2. Individuals with active memberships found by the Parks Committee or District staff to be violating the rules in this section will receive one written warning containing the date and nature of the violation by regular mail to the address of record. If District Personnel report a second violation to the Board of Directors, and the Board determines by a vote of 3 members that there has been any further rule violation in the same calendar year, this will result in the cancellation of the membership for the remainder of the membership term with no refund. The member will be notified of the reason for this cancellation by Certified Mail, Return Receipt Requested. The member may appeal this decision to the Board of Directors in writing, or in person at a regular or special meeting of the Board.
3. Non-residents are ineligible to reapply for a membership. Residents may re-apply for a membership on January 1 of the year following the membership cancellation.

4. Repeated violations of the rules by a resident member may result in a permanent loss of membership rights. A permanent revocation of membership rights of a resident must be announced on a meeting agenda, discussed at a regular or special meeting of the Board, and approved by a majority vote of the Board. The resident must be notified of the meeting by Certified Mail, Return Receipt Requested, and may appeal in writing or in person at a regular or special Meeting of the Board. If the resident attends the meeting, that resident must be allowed five minutes to speak to the board to appeal this action.
5. The District reserves the right to expel anyone violating a rule without prior warning, if in the reasonable judgment of District staff, the rule-breaking behavior interferes with the enjoyment of the facilities by other parties, creates a hazardous condition, or has caused or has the likelihood to cause damage to District property.

### **Section 4:**

- The term resident includes an individual who owns land subject to taxation inside the district’s boundaries AND resides in the state.

In addition to the rules and regulations in Sections 1 and 2, the following rules apply to all commercial uses of District parks and ponds and the facilities therein except for the tennis/pickleball courts. For rules governing the commercial use of tennis/pickleball courts, see Section 3.2 above.

1. For the purposes of this section, “commercial use” is defined as any class, activity, or session in which participants pay to participate, or for which a profit is being made by the person or organization hosting or organizing the use. The term “commercial use” does not apply to an organization that is registered with the [Texas Secretary of State](#) as a Non-Profit Corporation, or an Unincorporated Non-Profit Association that has filed with the Texas Secretary of State a statement appointing an agent authorized to receive service of process on behalf of the Non-Profit association. The determination of whether an entity is commercial shall be at the sole discretion of the Board of Directors.
2. All persons or organizations using District parks or ponds or the facilities therein for commercial use must register their use with the District. Applications are available on the

District's website (<https://www.wtcmud1.org>) or by contacting District staff at parks@inframark.com. In order to register a commercial use with the District, the person or organization must submit full contact information, proof of qualifications, proof of liability insurance, and basic information regarding their commercial use, specifically the number of expected people and expected days, times, and duration of use.

3. Commercial users expecting to host groups at any time larger than 25 persons must reserve space for their use. Spaces available for reservation include: the Anderson Mill West pavilion, the Lakeline Oaks pavilion, and the District Building (1000 Old Mill Rd).
4. Commercial users hosting groups with fewer than 25 participants and utilizing District parks, ponds, gazebos, fields, or facilities other than the Anderson Mill West pavilion, Lakeline Oaks pavilion, or the District Building (1000 Old Mill Rd) are not required to make a reservation or pay a reservation fee; however, such users must still register their use with the District. Any person or organization attempting to use a District park, pond or facility therein for a commercial use without first registering such use will be considered trespassing on District property and may be subject to expulsion. Commercial users not reserving facilities will receive no special accommodations and must use their preferred spaces on a first- come-first-served basis. Such users may not ask other park users, commercial or otherwise, to move out of any area of any park or pond to accommodate their commercial use.
5. Walk-on commercial use of pavilions is prohibited. If a commercial user wishes to use a pavilion, they may only do so if that space has been properly reserved per this section.
6. Commercial use of the pavilions is limited to no more than 12 reservations per year per user. No more than twelve (12) reservations may be scheduled by a single person/group/organization at any one time. Commercial users reserving a pavilion must specify which of the two pavilions (Anderson Mill West or Lakeline Oaks) they will be reserving, and only the specified pavilion may be used for the registered commercial use. Park areas and facilities outside the pavilion are not included in the reservation and must be shared with other park users. For rentals of the Lakeline Oaks pavilion and/or the District Building, no parking spaces in the parking lot can be blocked off or "reserved" to accommodate the commercial use.
7. Commercial reservations of the Anderson Mill West Pavilion, Lakeline Oaks Pavilion, and Lakeline Oaks Building (1000 Old Mill) are not permitted between 4:00 p.m. on Friday and 6:00 p.m. on Sunday.
8. Commercial reservations of the Lakeline Oaks Building (1000 Old Mill) are not permitted during normal business hours (Monday – Friday, 7:30 a.m. – 5:00 p.m.)
9. All Commercial users, regardless of reservation status, must, each time they use a District park or facility, return the space to the condition in which they found it and return the key card, if provided. Failure to do so may result in a forfeiture of the deposit, and any of the following:
  - A. The District may deny the commercial user continued commercial use of District property.

- B. If any damage to District property has been incurred as a result of the commercial use, the District may charge the commercial user for the full costs associated with necessary repairs.
  - C. If such use was without reservation, the District may require the user to reserve a pavilion or the District Building (1000 Old Mill Rd) per this section, for any future commercial use of District parks or facilities, subject to all applicable fees.
10. In the event that a commercial use creates conflicts with other parks users, the District may, at any time, resolve the conflict by any of the following means:
- A. If the commercial user has not reserved a pavilion or the District Building (1000 Old Mill Rd) per this section, the District may require the user to make such reservations for any future commercial use, subject to all applicable fees.
  - B. The District may require the user to make changes to the commercial use, including location, time, days, number of persons, duration, or other aspects of the use that may be causing conflict.
  - C. The District may deny the commercial user continued commercial use of District property.
11. If alcoholic beverages are to be served, an additional fee of \$100 is required along with the presence of a MUD appointed constable at a rate of \$65 per hour. Payment to constables must be made prior to their time of service. The hosts of any event are responsible for the welfare of all persons attending their event and must ensure that all guests leaving can drive safely or have made other arrangements to safely travel from the event. Any user who does not pay the required fee but allows alcoholic beverages to be consumed at their event will forfeit their deposit. In addition, the user will be held responsible for all clean-up costs and any damages.
